

## Step by step instructions for free online file translation using Google Translate:

1. Download the file you want to translate and save it on your computer.
2. Go to [Translate.Google.com](https://translate.google.com). Click on the “**From**” and “**To**” tabs to select first, what language the original PDF is in (**From**), and what language you want it translated into (**To**).
3. Now click on “**translate a document.**”

4. Click on “**browse**” and then select the file from your computer that you want translated.
5. Click “**translate.**” Your translated text will appear in a new window.
